**Re: Late Filing of SIA Comments regarding FNPRM for Use of Spectrum Bands
Above 24 GHz For Mobile Radio Services, GN Docket No. 14-177; IB Docket Nos.
15-256 & 97-95; RM-11664; WT Docket No. 10-112 ("Report and Order")**

Dear Ms. Dortch:

SIA prepared and completed comments for submission to the FCC regarding the above referenced proceeding for September 30th, 2016. Due to an inadvertent miscommunication, these comments were not filed on the intended date. SIA urges the Commission to accept this late filing. Acceptance of SIA's comments, notwithstanding the short delay in their submission, will promote the development of a complete record and will not prejudice any other participant in the proceeding.

Respectfully submitted,

SATELLITE INDUSTRY ASSOCIATION
